

# Volunteer at Have Dreams

Have Dreams is a non-profit organization offering social, communication, life skills and vocational programs for individuals with **Autism Spectrum Disorder (ASD)**.

We are **looking for volunteers ages 12 – 18** to interact with individuals with ASD from 3 – 18 years of age during our after-school programs. Volunteers will act as positive role models, play games and activities, and interact socially with Have Dreams participants.

***No experience necessary – volunteer training and support will be provided!***
