This is a parent education focus group hosted by Have Dreams and led by Patricia O'Brien (see bio below) to discuss transition planning in the areas of guardianship and benefits planning for your child. This will be an intimate group that will allow for group discussion and Q & A time.

Dr. Patricia O'Brien

Dr. Patricia O'Brien is with Mass Mutual Financial Group where she is responsible for the Special Care practice. As the sibling of a brother with autism spectrum disorder, she is uniquely qualified, in her capacity, as an advisor to families with Special Needs.

She has served as an advisor to families with a plethora of planning needs that address the uniqueness of the child and disability. She also regularly leads informational seminars affiliated with schools and organizations that serve as resources for families and children.
